■ Dima di taglio

NB Le misure indicate possono subire una variazione dello 0,8 % circa, dovuta ad un'usura degli stampi o a piccole variazioni delle caratteristiche tecniche relative alle materie prime che compongono l'impasto.
NB Dimensions shown are subject to a variation of about 0,8 % , due to wear of molds or because of small changes in the technical specification of the raw materials of the dough.

ATTENZIONE le quote di installazione si riferiscono ad un impianto standard, sono generiche ed indicative. Si consiglia di adattare le quote in base alle esigenze del cliente.
ATTENTION the installation sheets refer to a standard system, they are generic and indicative. We recommend adapting the dimensions according to customer needs.
